DAVE BLACK

A Nikon Ambassador and one of the pioneers in the conversion to all-digital photography, Dave is regarded not only for his acclaimed career in sports photography that includes covering Olympic games for Newsweek for over 20 years, but also for constantly reinventing himself and pushing for new frontiers in using lighting techniques in innovative ways. Black has been a Summit faculty member for almost 30 years.

JOEY TERRILL

A Nikon Ambassador, Joey is a Los Angeles-based corporate and editorial photographer with a long and varied career in photography that includes portraits of celebrities, and pro athletes. Joey has recently migrated towards his passions for environmental portraits and studio/location lighting. Joey is excellent at communicating the extensive principles of controlled lighting in terms anyone can understand.

MATT HERNANDEZ

Matt is a Kentucky-based portrait photographer who specializes in high school senior and athlete portraiture, on-location creative lighting, and post-processing and photo editing. He began his career as an award-winning graphic artist, and he has since used those skills to help launch a very successful photography career that includes photographing portraits of the nation's best college athletes.
